

Dr. Marlene M Moretti

Senior Career Research Chair - New Perspective in Gender, Sex and Health

Biography

Dr. Marlene Moretti holds a designated University Professorship at Simon Fraser University. She initiated one of the first Canadian multi-site research programs on sex, gender and aggression in adolescents through a CIHR New Emerging Team grant, and has led national and international collaborations to address the mental health needs of adolescents. Dr. Moretti has published extensively on risk and protective factors, and intervention programs, related to youth mental health. She is a co-leader of the Child and Youth Health Research Network of the Michael Smith Foundation for Health Research and has served on numerous government committees focused on adolescent health.
